BRAIN BASED SAFETY

TRAIN THE EXPERT

Bring Brain Based Safety into your organization!

The internal expert keeps the philosophy alive and continuously growing within the organization.

THE PROGRAM

- Provides an in-depth explanation of the Brain Based Safety theory
- Trains communication and facilitation skills

THE EXPERT

- Spreads the philosophy throughout the organization
- Trains first-line leaders
- Supports Toolbox facilitation
- Connects theory with the organization's daily practice

THE RESULT

- Anchors knowledge and behavior
- Reduces dependency on external consultants
- Ensures continuity and consistent attention
- Strengthens ownership within the organization

INCLUDED

- Training sessions (approx. 40 hours total)
- Book 'Grip on Behavior'
- Certificate Brain Based Safety Expert
